

# ▶ **IMPORTANT NOTICE** ◀

Because of a change in insurance and liability potentials of our horse program, go carts, snowmobiles, and other recreational activities, we are now requiring our guests to have a signed waiver before they can participate in trail rides and other activities at Camp Au Sable.

The enclosed waiver must be read, signed and handed to the staff leading the horse rides or other activities or they will not be able to participate.

For children under the age of 18, they must bring the form signed by a parent or legal guardian. Pathfinder leaders, teachers, or church leaders are not considered legal guardians unless they are the state designated guardian. If the signed waiver does not accompany the child, they will not participate. Please make sure they have their form with them before they come to camp.

**For YOUR purposes**, I have found that anytime someone is taken to the hospital, they must have the following information:

- Copy of their Insurance card (front and back)
- Parents Date of Birth (if a minor)
- Parents SS# (if a minor)

If you are unable to get the above information, at the very least they will need:

- Name of Insurance Policy holder**
- Policy #**
- Group #**
- Address of Insurance Co.**

If you can modify your "Permission to Treat for Medical emergency" form to include these items, it will make for faster and much easier processing of the patient, and parents won't have to be called by five different people asking for information when their children are taken to the hospital. (It will be more convenient for everyone.)

# Camp Au Sable Trail Ride & Activities Waiver

I am applying for my camp attendee to engage in camp activities such as rock climbing, horseback riding, rope courses, water skiing, canoeing, and gymnastics, go carts, snowmobiles (hereafter collectively referred to as “activities”). I understand that such activities have inherent risks that include, but are not limited to, loss of control, collisions, obstacles and other potential dangers that could result in personal injury.

I represent that my attendee has no health or physical problems that will interfere with camp activities. In consideration of being given the opportunity to participate, my attendee and I assume and accept all risks of injury and dangers involved in horseback riding and other activities. I agree that my camp attendee is responsible for his or her own abilities.

I do support, and applicant agrees to abide by all camp regulations and policies. As parent or legal guardian of the camp attendee, or for myself if I am over 18 years of age, I release the Michigan Conference, the Camp Management, its employees and agents, from any and all liability for damages which might result from the camp attendee’s participation in these activities.
