## GUARDIAN INFORMATION / COMMITMENT FORM

*(All international students attending Great Lakes Adventist Academy are required to have a guardian located in the continental United States of America.)*

Name of International Student \_\_\_\_\_

### Guardian Responsibilities

1. The guardian, in place of the parent, is responsible for the student during all school breaks and home leaves, including transportation to and from the school. This also includes at the beginning and end of each school year.
2. The guardian, in place of the parent, is responsible for the student during all off campus, non-school related activities. The guardian is also responsible for granting permission for school trips.
3. The guardian, in place of the parent, is responsible for all medical and school related emergencies. If the student is suspended, asked to withdraw, or expelled for any reason, the guardian will be contacted and will immediately assume responsibility for the student.
4. The guardian is responsible for communication between the school and parents.
5. The role of guardian will not be transferred to another adult without prior approval of Great Lakes Adventist Academy Administration and written permission from parents.

*"I have read, understand, and agree to all of the responsibilities of a guardian."*
