Alumni Weekend: One Year Closer

By Kaitlyn Rigg GLAA '15

Zach Verhelle (GLAA '15)

On Friday, October 14, there was much preparation on campus in anticipation of Alumni Weekend. Alumni and friends were arriving and walking around campus, reliving memories and meeting old friends. The music groups were all getting their last minute practicing in along with the Aerokhanas finishing their preparation.

After a hard day of work everyone relaxed as Friday night vespers came. On Sabbath, October 12, the music groups preformed beautifully. The groups included the bells, choir, strings, brass ensemble and wind symphony. Sabbath School was presented by Dr. Brent Hamstra (GLAA '88). Jeremy Hall (GLAA '94), gave a wonderful message for the church service. The alumni met in various locations for potlucks and visiting after church. Hugs and smiles went around as friends and family were reunited.

Later in the day there was a special music concert. Many alumni and current students performed musical numbers. Then alumni from each school went on stage and sang their school song. The GLAA song tied the whole performance into a great ending with the Rah-Rah-Rah! Saturday night vespers went smoothly, with a special worship thought by Leo Castillo (GLAA '14).

Finally came the time many people were looking forward to. The Lady Warriors were pumped and ready to play the Alumni. Lady Warriors Captain, Elisa Arnold (GLAA '14), rallied her team together for a great game.

Dr. Robert Weaver, (AA '73)

Billy Ray (GLA '68)

Students, teachers and family members bought Lady Warriors and Warriors shirts to show support for the GLAA teams. The Lady Warriors game ended with the score of 33 to 22, with the alumni winning. Perla Moreta (GLAA '14) says she enjoyed playing the alumni and that the whole thing was great!

Between the Lady Warriors and the Warriors games the Aerokhanas performed a fantastic routine according to Megan Ehrhardt (GLAA '15). She said she felt like a little kid watching fireworks for the first time. It was an outstanding result. The Aero's also had a special café fund raiser during the whole evening to raise money for their mission trip to Belize.

Then it was time for the Warriors to play. Some of the students made a tunnel with their arms for the Warriors to run through one by one. Led by Coach Dean Coggins and Warrior's Captain Kyle Beisiegel (GLAA '14), the Warriors worked amazingly as a team and quickly put distance between them and the Alumni. With 50 seconds left on the clock the score board showed 72 to 48 with the mighty Warriors in the lead. The crowd

was cheering non-stop with its echo's bouncing off the gym walls. The clock wound down to 0 and everyone jumped up and screamed. The Warriors did it! They beat the

Alumni. The Warriors won the game 71 to 48.

The exciting night came to a close. Altogether, Alumni Weekend was definitely an unforgettable weekend.

The Best Years

By Dixie DeGrave GLAA '14

I attended public school my 9th grade year and then came to Great Lakes Adventist Academy. Having attended GLAA for three years, I find my job in the Alumni Office interesting, hearing about and seeing the long-time bond and connections that are built on this campus. I have appreciated my time here, but meeting alumni has given me a broader perspective. Recently I had the privilege to interview two alumni of Cedar Lake Academy (CLA), Vivion (Viv) and Virginia (Ginny) Shull, and learn how Christian education impacted their lives. The Shulls are one of the sweetest couples I've met. I was touched by their story, and have received their permission to share it with you.

Sitting in their softly-lit living room, taking in every memory as if it were my own, I was touched by how dear they hold their memories from their time at CLA. Their soft voices completed each other's sentences when reminiscing about their life stories. "Those were the best years of my life," said Ginny over and over. Age was just a number to them as they relived the memories of their youth once again. They brought me back to an era I know little of. From beginning to end, I listened to them share about the many influences that decided the course of their lives and how those revolved around the campus of Cedar Lake Academy.

Growing up Methodist, Ginny's family was newly converted to Adventism when Professor John Jack Shull, lovingly referred to as Prof Shull, knocked at their door. As principal of CLA, Prof Shull (Viv's uncle) was actively involved in the recruiting process. Because of Prof Shull and his ministry to their family, Ginny came to CLA as a freshman in the fall of 1943. Even though Ginny would have to work to pay the tuition, she was determined and agreed to work hard year round all four years to pay off her school bill, which she did. Ginny was only able to go home occasionally and showed her appreciation for the opportunity to gain an Adventist education by her commitment.

CLA was thriving with 120 students at the time. After being officially enrolled, Ginny needed to take the second step. She was to be assigned to a job on campus. Pay at the time for students was 25 cents an hour. After being scheduled to work in the cafe, Mr. Woods, the school accountant, asked her to work in the Business Office instead. Little did she know, this was where her life plans were to take course.

As soon as Ginny set foot in the office, she began to gain the notice of a handsome coworker. Viv worked in the office as a junior and seemed to pay her an extra amount of attention. The time they spent working together allowed them to establish a close friendship. "We were never alone in the office after the faculty caught wind of our interest in each other," she explained while smiling at Viv across the living room.

Their relationship grew quickly and soon Viv asked Ginny on their first date. He wanted her to accompany him to the Scavenger Hunt and bonfire on Saturday night. Vivion was determined to show Ginny how much she really meant to him. "That night, while trying to impress me, he twisted his ankle in a hole, but he

was determined to not let it show and still walked me back to the dorm," Ginny said, chuckling softly, her smile bright with the memory.

The Shulls experienced an excellent education in the classroom at CLA. The teachers impacted them not only in the classroom, but in their daily experiences and work. The Shulls value greatly the opportunity to make numerous friendships that have lasted through the years. But the friendship between Viv and Ginny was to be a special, long-lasting one.

In the winter of 1944, their attentions to each other were still strong and spending time together of great importance. However, scarlet fever came to CLA and the school was quarantined for some time. The dorm was required to keep all girls in their rooms. At that time the cafe was in the basement of the girls' dorm. While Ginny was in her room, she would poke her head out of her door and Vivion would peak in at the bottom of the staircase to converse with her every moment he could get at mealtimes.

Graduation of 1945 was all too quickly and Vivion was preparing for a new chapter in his life. He promised to visit often but they agreed to allow each other to see other people. Viv was drafted into the Navy in 1945. In August of 1946 the bomb was dropped on Hiroshima and Nagasaki so he was released from his duties in the war.

After Ginny graduated from CLA in 1947, she decided to attend Emanuel Missionary College (EMC--now Andrews University). When Viv and Ginny were reunited at EMC, it was as though they were never separated and they re-established their relationship. Ginny said "I had no business going to EMC; I had no money. But Viv helped me find a way." Viv majored in Chemistry and was headed for Medicine but "I had too much fun in college to be a physician," he humorously explained. Their college years were spent in many happy times together, and they married in 1948. Vivion graduated from EMC in 1951 with a degree in Chemistry.

The Shulls were blessed with four children. They worked hard and sent one through Grand Ledge Academy, one through Adelphian Academy and

two through Cedar Lake Academy. Christian education was a priority for them because of their own experience. Viv retired in January of 1994 from Michigan State University where he was an Academic Specialist managing 2 electron microscope laboratories. Ginny retired in May of 1994 after working as Assistant Manager of the Adventist Book Center in Lansing, Michigan. The Shulls have now been married for 65 years and have 5 grandchildren, and 2 great grandchildren as well. Vivion and Ginny currently live in Holt, Michigan.

"We will never be able to cut the strings from Cedar Lake Academy. We hold onto the memories we have today because of

Professor Shull

Vivion Shull

Virginia (Strudwick) Shull

the faculty and surroundings we had through high school,” said Viv. It’s incredible to see how much of a connection they still have to the school when they return for Alumni weekends and camp meetings.

When God sent Prof Shull to the door of Ginny’s home when she was only a girl, she had no idea of the impact it would make on her life. “Those four years at Cedar Lake Academy were the best four years of my life,” said Ginny. It intertwined the lives of Viv and Ginny, and sent them on the path of happiness to begin their careers and a happy life together.

As for me, I am determined to make the most of my senior year at Great Lakes Adventist Academy and not take anything for granted. Hearing the Shulls repeat over and over again “Cedar Lake Academy changed my life,” was reassuring to me that I am exactly where I need to be. I know I can look back for years to come and know that my education, time, and energy here will never be in vain.

Viv & Ginny

GLAA Class of 2013

Welcome to the Alumni Association Class of 2013!

There are now 54 more alumni of Great Lakes Adventist Academy. This class is packed with talent, and goes out from our school prepared with knowledge and skills to make their mark. They have also been given the chance to know Jesus as their personal Savior and we pray they will make Him the center of their lives, wherever they go, and whatever they do. God bless you, Class of 2013.

Bits & Pieces

Daughters of the King

On September 2, the girls of GLAA were ushered into the Commons of the Fitness Center to a room transformed to give the feel of Persia—dim lights and low tables with draperies spread around. Nicole Minnick,

mother of students Jessica (GLAA '16) and Kayla (GLAA '14), as well as several other mothers, along with Linda Johnson, GLAA Girls' Dean, and her staff, worked to provide a special evening of delicious food from the Middle east.

Staff ladies and mothers moved between the low tables, serving appetizers, main courses, and dessert. Tasting these flavors was a first for many of these young ladies and there was much conversation and interaction.

But this special occasion was for a very specific purpose. "Our goal for the Queen Esther Banquet was to remind each and every girl that she is a daughter of the Heavenly King and therefore royalty. We wanted them to know they are not only very special, but also have a high calling to live with integrity and courage," said Heather

Haynes, Assistant Girls' Dean and School Nurse.

At the end of the lovely meal, the staff ladies and mothers presented each young lady with a tiara, a reminder of their special status as "Daughters of the King," and prayed with each one individually.

The girls were touched by the efforts put into this special evening. "The food was really good and the parents and deans worked hard to make it extra nice for us. It meant a lot," said Kaitlin Norcross GLAA '17.

Many thanks to all the mothers and deans for their efforts on behalf of these young ladies.

Church Partnership Program

Many of our students spend four years at GLAA and then go on to college where they may spend four or more years. Recently, the staff decided to make definite efforts to connect these young people with the local churches, Cedar Lake Seventh-day Adventist Church, Edmore SDA Church, and Frost SDA Church.

Plans were laid to connect interested students with specific people in offices and positions and mentor them in these duties, teaching them to be involved and also showing them what they can give back as young people, and then when they move back to their home church or somewhere else, they will realize that they are the church and become active.

Many students have signed up for the Church Partnership! The first Sabbath the students were served a special breakfast in the Cedar Lake Church

fellowship hall by their mentors. Orientation followed, and then they went to their areas to assist.

The response of their experience has been terrific! Dixie DeGrave (GLAA '14) helped out in the Primary Sabbath School one Sabbath. "It was nice to be needed and to have the experience to work with a younger crowd. The kids were really enthusiastic about having us there and it was a good feeling to be back in Primary again!" she said.

The goal of GLAA is to prepare the young people to Uplift Christ, Pursue Excellence and Serve Others. This is just one of the ways our tagline is being put into practice.

Sabbath Afternoon Visits

Sabbath afternoon always finds activity choices for the students.

One Sabbath in September about 20 students divided into two groups and went visiting the local church members in their homes. Good News Farm provided a lovely array of vegetables which were put into baskets. The students delivered these to the homes, and then visited with the people for awhile.

"When can we do this again?" was the response of the enthusiastic students. It was echoed by the people they visited. "I haven't had anyone visit me in over two years," stated one person. The students not only visited, but they sang for them and listened to stories shared by the church members.

"It made me so happy to see how excited the people were that we came to visit them. It made my day!" said Marnina Molgaard (GLAA '15).

Capital Campaign Phase III

Phase I

Date Launched: 2006

Amount: \$270,000

Projects:

- New Boys' Dorm Roof*
- New Girls' Dorm Roof*
- Two Coach Buses*

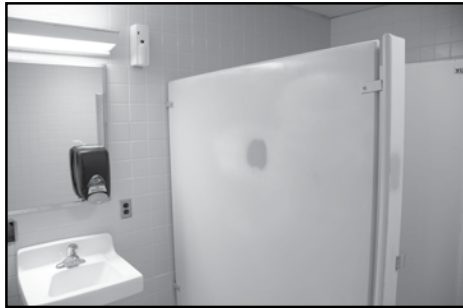

Phase II

Date Launched: 2008

Amount: \$850,000

Projects:

- Boys' Dorm Chapel Remodeled*
- Girls' Dorm Bathrooms*
Completely Remodeled

Total Raised to Date
Including Pledges:
\$267,280

Please consider sending in a gift today to help us reach our goal and provide continued a quality facility for these young people to learn in.

Jack and Freda

At the “Ye Olde” Cedar Lake Academy Alumni Reunion

By Sylvia (Nelson) Clarke CLA '61

What keeps alumni like Jack ('47) and Freda (Peters) ('59) Iverson coming to the “Ye Olde” Cedar Lake Academy Reunion year after year?

Freda teases Jack that he started going in the first place to see

Ellowyn (Cook) St. Clair (CLA '63) and her husband Dwight.

his old girlfriend. Perhaps a report of what they experienced this year will give clues you can use to answer that question.

At the 2013 gathering Jack and Freda found more than 100 Cedar Lake Alumni on the GLAA campus attending at least one of the programs. Early comers were treated to a farm tour where they learned of the work being done at Good News Farm housed in large greenhouses just south of the campus.

An afternoon talent program emceed by Ralph Benedict ('48) began with attendees singing the old familiar words of our school song: “Cedar Lake, our Alma Mater” and featured music and readings by former students and staff, mostly from

Phil Edgar (CLA '47) and his wife Barbara

the 50 year honor class of 1963. A tribute to veterans presented by Janet (Griffith) Perry ('63) and Win Wheeler ('48) singing “Closer Still with Thee” brought the program to a close.

Jack knew few of the 60 year honor class who, led by Ruth Drumm, provided the Friday night vespers. Yet he and Freda learned more of the history of Cedar Lake and God's leading as Robert Jones ('53) shared memories, some of which included family history connected with the two-story out-house Cedar Lake boasts and why it was built.

Marilyn (Morel) Orcutt (CLA '63) and Rolene Hanson (AA '49 and CLA Faculty)

Sabbath was the high day, not only because more alumni come that day than any other but also for the inspiring services planned and presented by the class of 1963.

Ellen (Beardsley) Murdick's story of helping build a One Day Church in Africa as well as Ellowyn (Cook) St. Clair and husband singing “God Is So Wonderful” kept Freda and Jack's attention, and they were inspired by Loren Clausen's Bible study.

A praise team directed and accompanied by classmate Marilyn (Morel) Orcutt and Rolene Han-

Jack (CLA '47) & Freda (Peters) (CLA '59) Iverson

son, former staff, led the music for both services and prepared hearts for Harry Sponseller's sermon, “With Jesus You Can Make a Difference” illustrated by his own experiences.

Praise Time in the Chapel in the Pines provided opportunities to share stories of how God has blessed and anticipate the “Joy Bye and Bye” sung by Neal Sherwin ('48).

Sabbath closed with a short vesper in which music played a major part, including one of the stirring piano duets Marilyn and Rolene played during the weekend. Don Hanson's devotional reminded Jack and Freda that our real home is heaven.

Oh, but I didn't mention that in spite of all the meetings and activities, Jack and Freda still had plenty

Ralph Benedict (CLA '48)

of time to visit with old friends and make new ones.

As Jim Eldred ('61) put it when asked what the best part was, "Having time to talk... meeting people I haven't seen in 50 odd years." And that brings Alumni to the reunion year after year.

Sylvia (Nelson) Clarke (CLA '61)

We would like to say a very special thank you to Sylvia Clarke for her tireless efforts to make the last two years of the "Ye Olde" CLA Reunion a success! Your efforts have been a blessing to many and we thank you!

President's Message

By Todd Gardner (AA '85)

I once asked a famous Adventist pastor the secret to knowing God's will between two paths. I marveled at his simple wisdom in the suggestion that we have to actually be moving to get directions. Just standing at the crossroads and asking which way to go typically yields no results. Yet, once we prayerfully turn our wheels one direction or the other and start moving forward we can see God's leading or his roadblocks.

Later in life, I ran across a great quote from an inspired author that said, "Human effort avails nothing without divine power, and without human endeavor, divine effort is with many of no avail." These two thoughts combined provided the secret to true power. I sum them up this way:

Our efforts without God are nothing. We have to put forth effort to receive God's power and blessing. Without effort, we cannot know God's direction for our life. God's power is ours, but it requires our effort to receive it and to gain his direction. Simple, yet so powerful. Such reminders are important to us all.

Some seek power for their own gain, but I don't think God works that way. I think he prefers to bless, when people are seeking to bless others. If you have ever been on a mission trip, you know what I mean. God's ways are amazing. Supporting Christian Education works much the same.

There are many ways to support Christian Education. Many send their children to GLAA or other Christian schools. Others willingly help fund a portion of student's mission trip, some provide monetary donations to the school for capital improvements or in response to the Phonathon. Some volunteer their time, others pray daily for the Faculty, Staff and Students. But many people find more direct ways to interject their time and skill directly into the lives of individual students. I've seen couples welcome our traveling music or Aeros students into their homes – providing a place to stay as well as a new friendship. These direct donations of time and love impact the student's at the most basic level.

So I ask you... no, I challenge you to intentionally make a decision to support a student at GLAA this year in some direct way. Of course your financial support helps. It keeps the doors open and the lights on. But are there additional ways that you can reach directly into the life of a current student? Perhaps a care card to a girl in the dorm, perhaps cookies you give to that young man headed back on the bus after home leave. Whatever your effort, God will amplify and bless.

Still unsure what you can do to impact the life of a student at Great Lakes Adventist Academy this year? Make some small effort in some way and watch for God's leading. Perhaps a troubled teen will choose a different path. Perhaps you will not even see how that small deed changed a life until we reach the kingdom someday. I assure you of this, God knows where to direct your efforts and He longs to bless that effort. I guarantee it!!

Adelphian Academy Reunion at Holly

By Peggy (Dean) Hoffmeyer (AA 1960)

The Holly Chapter of Adelphian Academy alumni association was June 7-8, 0213, at Holly Academy (former Adelphian Academy) with Peggy Dean Hoffmeyer, President, leading out. The class of 1963, under the leadership of Harold Oetman, Bruce Anderson and Gail Barco, had Sabbath school and church. Cleo Mims presented the lesson study. Ron Anderson told of some of his experiences since graduation and how God has led in his life. The trio consisting of Rosemary Dean Ward, Connie Draper and Cindy Raush presented several musical selections throughout the weekend. Judy (Edwards) Wilson shared her musical talent by being pianist for the weekend. Ron Williams told of his life's tragedies and triumphs during the sermon. Those with musical talents joined in the alumni choir directed by Dale Rhodes. Each one was truly blessed by the messages received during Sabbath school and church.

The potluck dinner was organized by Arlene Campbell and held at the AJA gym. There are many good cooks among the alumni as was noted in the great meal that the alumni furnished. The afternoon musical was led out by Dale Rhodes. Vocal musicals, life's experiences by J.D. Westfall and others, musical selections by Stanley McKenney and others were inspirational and enjoyed by all.

The weekend was a blessing to all who were there. Renewing friendships and sharing how the Lord has blessed each one was rewarding for each all present.

At GLAA alumni in October a check for \$1000 was presented to GLAA from the Holly chapter of Adelphian Academy alumni for the worthy student fund. Andrew Oliver, a former student of AJA, made the presentation on behalf of the alumni association. At a later date, a check for \$1000 will be presented to Adelphian Junior Academy for their worthy student fund.

Thank you alumni for your support of Christian education and we look forward to seeing you next June.

Join Us Next Year in Holly June 6-7, 2014!

New Year Brings New Faces

By Brittany Byrd (GLAA '15)

This new school year has brought many new faces to our campus.

The guy's dorm new Task Force Dean, Devyn Walechka, has always wanted to return to serve at GLAA since his graduation in 2010. His desire to work here comes from wanting to be a role model and wanting to help others. Listening to others and giving advice is something Dean Walechka finds satisfaction in.

From supervising at meal times to unlocking forgetful boys' dorm rooms, he is there. He is also an S.A. sponsor. An interesting fact about Dean Walechka is that he combs and brushes his hair every day. Dean Walechka is from central Negaunee in the U.P. He went to public school until his junior year in high school when he decided to attend GLAA. Aside from being the task

force dean, he is also working on getting his Masters in school counseling and studying Behavioral Science.

Miss Judy Reinshagen wanted to continue on to medical school, but she felt God convicting her to go into mission work for one year. Miss Judy is student missionary Task Force Dean for the girls' dorm and one of the S.A. sponsors. She is Brazilian and grew up in Mississippi with a family of three brothers and sisters. Also all of Miss Judy's siblings' names, including herself, all start with the letter "J" because her mother named them following the "J" in Jesus' name. Miss Judy likes to go hiking, rock climbing, spelunking, and anything else outdoorsy! Miss Judy also likes to step on crunchy leaves during the fall. When asked why she decided to come here she said, "It was totally a God thing. God convicted me not to go immediately into med school, but rather dedicate a year to go or stay wherever God called me to be." She loves to encourage people and she especially loves the outdoors.

Sophomore Bible teacher, Phil Mills, has always felt that God has been calling him to do ministry. Pastor

Phil has always wanted to pursue ministry, but through business and lifestyle medicine. Right before his MCAT test, he decided to switch his focus to Business Administration at Southern Adventist University where he discovered God had a different plan in mind. After getting a call from the Michigan Conference, Pastor Phil decided to accept the position of Associate Pastor of

the Cedar Lake Seventh-Day Adventist Church in 2012. Along with his pastoral job, he teaches sophomore Bible, coordinates Friday vespers, and helps out with the Witnessing class offered at GLAA. "Being paid to do what I love," Pastor Phil says is why he enjoys his time here so much.

Pastor Jeff Marshall knew this was the place for him because God guided him here. About four years ago, Pastor Marshall attended Camp Meeting and one of the meetings he went happened to be in the basement of the Cedar Lake SDA Church. As he sat there he said to himself, "It would be awesome to be a pastor here." Look where God has brought him. Pastor Marshall is the Senior Pastor at the Cedar Lake SDA Church and also teaches sophomore Bible classes. He was raised in an Adventist home and has one younger sister. He has a beautiful wife, Jerlanda, and a new son John Judah Armstrong Marshall, born in September. Pastor Marshall wants to help students grow their relationship with God this year.

Cassie Unruh, who is engaged to Mr. and Mrs. Heslop's son, Darren, is in charge of running the Learning Center and assisting during study halls. Also if students need to make up a test from an excused absence, they can take their test under her

GLAA 2013 Graduate Christa Spieth

Becomes National Merit Finalist

supervision if they have no time that corresponds with the teachers' free time. Miss Unruh was raised in Bakersfield, California, in an Adventist home. Her parents were active in the Adventist Church. She attended Adventist school from second grade all the way through college. Cassie and Darren are planning to get married on June 29, 2014. Miss Unruh enjoys working with the students, but is looking forward to being married to the love of her life!

Scott Ritsema was going to go into speaking ministry after resigning from teaching in Grand Rapids, until Great Lakes Adventist

Academy approached him. After GLAA offered him a part time job in the Bible department, Mr. Ritsema decided to accept because it's part time, he lives within 25 minutes, and most importantly he saw that the school had direction and leadership that excited him to get behind. Now he teaches the junior Bible class, One True Story. Along with a new job, he has also welcomed a new member into his family, a baby boy, who was born recently. Mr. Ritsema, from Grand Rapids, MI, was raised in a Christian Reformed family with one sister and two brothers. He likes to read and be alone in nature. His house that he currently lives, in Lakeview, has 30 apple trees, so working part time is perfect because then he can go home and take care of all his property while maintaining time for his teaching position and taking care of his family.

Christa Spieth (GLAA 2013) attended Great Lakes Adventist Academy for all four years of her high school experience. In October of 2011, Christa took the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT). She was notified in September of 2012 that she was one of the 16,000 National Merit Scholarship Semifinalists. In March of 2013, Christa was notified that she was one of 15,000 students who had met all of the requirements to advance to the Finalist standing in the National Merit Scholarship Competition (NMSC).

In order to qualify in the annual NMSC, approximately 1.5 million high school juniors from 22,000 high schools take the PSAT in the month of October. The following September 16,000 of the 50,000 high scorers are notified that they have qualified as Semifinalists. Named on a state representational basis, Semifinalists are the highest-scoring program participants in each state. For example: In Michigan there were 585 Semifinalists from 163 schools.

The following February, Semifinalists who meet academic and other requirements are notified that they had advanced to the Finalist standing. The 8,000 Merit Scholarship winners are chosen from this group of Finalists, based on their abilities, skills, and accomplishments.

GLAA's Guidance Counselor Tom Heslop and Principal Delwin Garcia presented Christa with a certificate in recognition of her achievement during morning chapel in front of the student body and staff.

As a Finalist, Christa was not one of the students who received a Merit Scholarship; however, she did receive a special full-time tuition scholarship from Andrews University for up to a maximum of 144 semester credits, or the completion of her first undergraduate degree (whichever comes first).

This scholarship is valued at \$92,000, which is significantly more than the \$10,000 she would have received as a Finalist.

Christa showed excellence not only in academic achievement, but was also very involved in extra-curricular activities. She was S.A. Treasurer her junior year and Vice President her senior year, as well as being first chair violist in the orchestra for one year and the Encore! String Ensemble for three years. Christa was a member of the J. G. Lamson Chapter of the National Honor Society for two years. Great Lakes Adventist Academy once again congratulates Christa on her achievements!

(Special thanks to Tom Heslop, GLAA Guidance Counselor, for assisting in gathering information for this article.)

Annual Report

2012-2013

Uplifting Christ

Pursuing Excellence

Serving Others

One Year Closer!

Dear Alumni and Friends,

I would like to draw your attention to the exclamation point in the heading for my letter. This was our theme for the 2013 Alumni Weekend and it brings the realization that no matter how old, or young, we are, we are getting closer to Heaven every day and every year. Are we excited about that? Or are we so caught up in the activities of the world that we don't think about it?

Every year we graduate a new crop of ambitious, energetic youngsters ready to tackle the world; we go to more weddings, bury more friends, and family, see new babies born, watch people start careers, even as some of us end ours, and yet we're still here on the old earth!

Well, maybe the reason is we need to do more to spread the gospel of Jesus so He CAN come back. How can we do more? Sharing our faith would be a great start. We have a new tag line at GLAA: "Uplifting Christ, Pursuing Excellence, Serving Others." If each one of us took that to heart we could finish this work and get to our Heavenly Home. However, as long as we linger on this earth, please keep our school and our young people in your prayers and support us with your financial gifts so we can continue to serve Christ and prepare these young hearts for a Heavenly Home!

Thank you so much for all you've done to support our mission and our work at Great Lakes Adventist Academy. God bless you.

In His Service,
Skip Hann, Director
Development, Alumni, Recruiting

Your Donation at Work

Your donation to GLAA is put to work in providing a continuation of high quality services and implementing new services that further Adventist Christian education. Your gift can be designated in the following ways.

GLAA Fund

An unrestricted donation that can be used in a variety of ways depending on needs such as worthy student scholarships, equipment and capital needs.

Endowments

This donation is kept in an interest-bearing account. The interest made from the principal amount is used for scholarships or however designated. Named endowments can be given or a contribution made to our general endowment fund. Current endowments:

The Class of 1957 Education Endowment Fund

Established in 1982 by the Cedar Lake Class of 1957 in honor of their 25th class reunion - scholarships awarded annually.

The Richard and Joyce Wuttke Education Endowment Fund

Established in 2000 in honor of Richard & Joyce Wuttke's retirement and dedicated service to youth and Adventist Christian education for 41 years - scholarships awarded annually beginning in 2001.

The Berger-Dovich Education Endowment Fund

Established in 1993 in memory of Shirley Dovich and Greg Berger, GLAA '91 graduates and members of the Aerokhanas, who were tragically killed in a car accident soon after their graduation - one scholarship awarded annually to a senior who is a member of the Aerokhanas gymnastics team.

General Education Endowment Fund

Scholarships awarded annually. These funds help ensure that young people will be able to attend GLAA in the future.

The Reynold and Eleanor Brandt Endowment Fund was established in October of 2001 by Reynold (CLA '51) and Eleanor Brandt to benefit worthy students. They call GLAA students "their kids," and want to leave a legacy of hard-working young people.

The Elden and Geraldine (Fraser) Keeney Endowment Fund was established in December of 2005 by Dr. Elden (CLA '52) & Geraldine (Fraser) Keeney (CLA '53) to benefit worthy students. In gratitude for the years spent at Cedar Lake Academy, they want to make it possible for many more young people to gain an Adventist Christian education.

The Joseph Breyer Endowment Fund was established in May of 2013 by his children, Ken (CLA '78) and his wife Karen, and David (CLA '80) and his wife Jackie (CLA '80) as a memorial to their father and the many years of dedicated service he gave to Cedar Lake Academy.

The Arthur Kellogg Endowment Fund was established in July of 2013. Art Kellogg CLA '49 has a passion for young people and Christian education. These funds will go to benefit the Worthy Student Fund and make it possible for others to gain the experience he had as a student.

Thank You!

Good News Farm Update

By Dixie DeGrave GLAA '14

The Good News Farm is continuing to grow and produce a wide variety of fresh veganic vegetables and fruit. This next spring there will be a luscious crop of berries including strawberries, blackberries, blueberries and raspberries. Currently the outdoor crops of garlic, onions, and micro greens are growing and flourishing. Most produce is grown on tables, is watered from underneath, and no animal-based products are used, so as to remove as much risk of contamination as possible. Greens are harvested and shipped the same day, so the customers receive the produce within 24 hours of when it was picked.

Although the Good News Farm continues to sell top-quality produce to vendors and restaurants, one of the main focus points currently is the Farm Box Program. This program gives people a chance to easily place standard or custom orders for produce as well as a variety of local and organic products. Weekly or monthly, they can go to www.goodnewsfarm.org and choose whatever combination of fresh, veganic fruits

and vegetables they would like, with a minimum of a \$22 purchase. With no commitments required, customers can enjoy organic fruits, vegetables, and vegan breads delivered near to various drop-off locations. Delivery points are all in lower Michigan for now. Recently Detroit and Berrien Springs have been added

as delivery points as well. Plans are in place to expand the area of available drop off-points. There are over 200 members involved in the project already and it's growing daily.

Started in the summer of 2013, the Farm Box Program has provided many witnessing opportunities as well. The Farm Box Program has expanded the opportunities for out-

reach as well. Requests for spiritual information through this project have afforded opportunities to share about health, Seventh-day Adventists and how they are connected. This has been a blessing not only in the local community but throughout Michigan. As the Farm Box Project grows, it is providing employment for more students from GLAA and expanding its mission.

Good News Farm has also opened the store on the corner of Academy and M-46 to give the opportunity to locally purchase a wide variety of fresh fruits and vegetables. Management is looking into expanding the store and offering more organic produce through resale. Good News Farm Market's hours for Friday for the winter months are 12-4 p.m. The market will continue to be open on Tuesday through Thursday from 2-6 p.m. Also, homemade whole wheat bread made from organic ingredients is now available at the market. Visit www.goodnewsfarm.org to learn more about what's happening and what's available at the Good News Farm.

Phonathon 2013

Once again, during April, our students enthusiastically volunteered their evenings to go to a facility on the campus of Central Michigan University for Phonathon for three nights. There were 30 callers each night, with many of you making them happy with your conversations and donations. Thank you for your support and for taking the time to visit with these young people.

Alumni News Notes

1940's

Philip Edgar (CLA '47) and Barbara Tand were married on December 9, 2012. The Edgars are living in Michigan.

1950's

Jerry Fraser (CLA '51) moved to Tennessee in 2012 after his wife, Carolyn (Tremble) Fraser (CLA '53). He is currently residing at Country Haven Personal Care Home in Ringgold, GA. Two of his daughters, both CLA graduates, live in the area. He has another daughter (AA graduate) that lives in Ontario. "There is not a day that goes by that I don't thank God for my Cedar Lake and the experiences and friends," he says.

Bruce Garrett (AA '55) is retired but serving as a missionary to Honduras. Bruce has traveled there many times over the last 12 years to work with single parents that have AIDS and their families. He has also helped to start several churches there as well.

1970's

JP (Powell) (CLA '76) and Don Mathis (AA '71) are living in Collegedale, Tennessee, and both work at Southern Adventist University. The Mathis' have two daughters and one son.

Melanie Mann (CLA '77) and her husband, Terry, are living in Hixson, Tennessee, where Melanie is the Human Resource Manager at the Rock Tenn Company. She would love to hear from any classmates in the area. (For contact info, please contact the Alumni Office.)

1980's

Brent Hamstra (GLAA '88) has been teaching chemistry at Southern Adventist University since 1999. He and his wife, Emily, have two children: Ben, age 3, and

Molly, age 1. The Hamstras live in Collegedale, Tennessee.

Ken Moses (GLAA '88) is living in Redlands, California, and is an Emergency Room Physician. Ken is the author of the book *Atlas of Clinical Gross Anatomy*.

1990's

Ethan Muse (GLAA '93) is currently living in Arizona and works as a pastor.

2000's

Jodi (Smith) (GLAA '05) and Nate Thibert (GLAA '04) were married on January 20, 2013. The Thiberts are living in Mt. Pleasant, Michigan.

Samantha (Sawyer) (GLAA '06) and Joel Edgar (GLAA '06) were married on August 18, 2013.

Brandon Garner (GLAA '08) is going to graduate in December with a B.S. in Health Care Administration.

Jessie (Webster) (GLAA '09) and Danny Biddinger (GLAA '09) were married on June 2, 2013, in Cedar Lake, Michigan. The Biddingers are living in Ohio.

Jessica (Diaz) (GLAA '09) and Justin Lawson were married on August 18, 2013.

Becky (Homan) (GLAA '09) and Michael Smith (GLAA '09) were married on August 27, 2013.

Bianca (Wagner) Martin (GLAA '09) and her husband, Stephen, were married in 2011. They are currently living in Kansas City, Missouri. They have a son named Zander.

Joshua Condado (GLAA '10) and Nicole Czajkowski were married on December 30, 2012. The Condados are living in Tennessee.

Katie (Horn) (GLAA '11) and David Thomas (GLAA '10) were married on July 21, 2013. The Thomas' are living in Michigan.

Julie (Iwankiw) (GLAA '11) and Andrew Sherwin (GLAA '05) were married in Cedar Lake, Michigan, on July 28, 2013. The Sherwins are living in Michigan.

Tyler Gregory (GLAA '12) is currently going to college in Detroit, Michigan. He plans to attend medical school with the goal of becoming a surgeon.

Remember This?

The GLAA Junior Class of 2015 on the Old North Bridge

Every October, the juniors board the bus for the exciting annual history trip to Boston, Massachusetts. Led by our enthusiastic history teacher, Mr. Bruce Reichert, the juniors journey through time and visit many historic places. This trip is talked about for years to come and held as a very special memory in the hearts of our graduates.
