Parent Group

Fall 2026

Dear GLAA Families,

As we begin another school year, we'd like to invite you to join us in one of the sweetest ministries at Great Lakes Adventist Academy--encouraging the remarkable teachers and staff who faithfully care for our children each day.

Our goal is simple: to help every teacher and staff member know they are seen, appreciated, prayed for, and supported by the students and families they lovingly serve.

We hope to bless in a variety of ways this school year, including:

- A Back-to-School welcome meal (catered by the Olive Garden on Aug 10)
- Classroom Amazon Wish Lists
- Thanksgiving notes of gratitude
- Christmas gift cards
- A possible Spring Cleaning Bee to lend a helping hand around campus

Christian education has always been a partnership between home and school. The GLAA teachers and staff not only invest in our children's education, but also in their character, their faith, and their future. It is an honor to do our small part to show collective support.

We are working alongside the office administration to create just ONE location/link where funds are able to be donated and received. More info on that coming soon!

"Therefore, encourage one another and build each other up." 1 Thessalonians 5:11

Warm Regards,
