A Season of Gratitude at GLAA **Thanksgiving & Christmas 2026**

Dear GLAA Families,

With GLAA Homeleave beginning October 20, this is a wonderful opportunity for you and your student to take a little time to show appreciation for our dedicated teachers and staff. Consider writing a heartfelt, handwritten note of thanks or preparing a simple Thanksgiving gift as a thoughtful expression of gratitude. These can be brought back to campus following Homeleave and given to Mrs. Garcia in the Ad Building for distribution.

Additionally, five of our teachers have created Amazon Wish Lists with items that would be helpful in their classrooms. If you would like to bless a teacher in this way, please reach out privately to any Parent Group representative, and we'll be happy to share those lists with you.

Looking ahead to Christmas, our Parent Group's goal is to provide every GLAA teacher and staff member with an Amazon gift card, allowing them to choose something special or useful. Donations for that cause may be given directly through the GLAA website and will be split equally among everyone. Follow these simple steps:

- Go to glaa.net and click on the "Donate" icon (an open hand with a heart above it)
- Fill out all the Online Giving information
- Under Gift Type, click "Designation" then "Other"
- Type "Parent Group Donation" into the Comments/Notes box

"Therefore, encourage one another and build each other up." 1 Thessalonians 5:11

Warm Regards,
